Website Content Roadmap: AI Deepfake Victim Support Platform

Homepage (Landing Page)

- Goal: Immediate clarity. Clean design. No distractions.
- Large, clear header: 'If You've Been Targeted by AI Deepfakes or Online Abuse, Start Here'
- Navigation: Drop-down Tabs with minimal graphics:

Drop-down Tabs

- Law Enforcement Help - How to report, contact FBI, Interpol, templates
- Legal Guidance - DMCA, GDPR, rights, legal firms, pro bono
- Proving It's a Deepfake - Tools, forensic specialists, certified reports
- Content Removal Help - Social platform links, search engines, hosting contacts
- Resources by Audience - Minors, Educators, Workplace, Adults
- Mental Health & Crisis Support - Hotlines, therapists, support forums
- Downloads & Checklists - PDFs, templates, guides
- Get Help Now - 24/7 live chat, help ticket, assistance request

Optional Additional Pages

- About Us - Mission, team, credibility
- Support the Project - Donations, volunteers, press kit
- Blog - News, case studies, updates

Design Philosophy

- Typeface: Sans serif (e.g., Helvetica, Arial)
- Color scheme: Calming base with bold highlights
- Layout: Grid or column-based, mobile-friendly
- Accessibility: Text toggle, languages, screen reader
